Ishikawa Modern Literature Museum

In this section, the literature and features of Ishikawa are presented on the screen. You can also view the three famous literary figures of Ishikawa through a virtual tour of their homes on the website. Features about the features of Ishikawa will be projected onto your palms.

Ishikawa’s Literature, Influenced By Its Unique Features

Poetry and philosophy who lived in each region of Ishikawa are presented by means of posters. You will see how they have common features and differences depending on the regions where they lived.

Ishikawa’s Literature Saloon

Ishikawa’s saloon, which was built in Magome, Ueda, was moved and restored. You can enjoy reading here.

The Leading Literature of the Age

The three famous literary figures of Ishikawa, Shuntō and Hakuin, with their distinctive characteristics, are compared and examined through their handwriting and the articles they left.

Vessels Taken from the Fourth High School

Vessels taken from the Fourth High School are introduced.

Literary Tradition of Ishikawa

A bookcase with literature is installed in the room, and the distance between the shelves is adjusted. You will feel the emotions of the students who read for their club activities.

The History of the School

A bookcase with the history of the school is installed in the room, and the distance between the shelves is adjusted.

Retro Lounge

This is a retro-style lounge with old chairs and tables, and displays of old articles. The room has vending machines and a resource desk.

This building housed the Fourth High School under the old system of education for about 60 years from 1893. The museum introduces the school, its environment, and the age, which produced many great graduates.

The museum has some rooms that can be rented for your learning or presentation. Admission to the exhibition section is free of charge. Please enjoy the exhibition and have a relaxing time.

Space for Rent

Room for rent
