Sacred Mt. Hakusan and the Tedori River

Along with Mt. Fuji and Mt. Tateyama, Mt. Hakusan is one of Japan's three most famous mountains. Mt. Hakusan can be seen from the plains, waterfronts and mountains throughout Ishikawa. The waters from the mountain pass down the Tedori River and on to the Sea of Japan. Along its route are wonderful natural and cultural attractions.

Hakusan-Tedori Geopark

Many scenic spots such as Mt. Hakusan are found here
